

300 YARD RESULTS

August 22nd ECCL 300 Yard Match Report:

The weather was overcast with the sun trying to peek out every so often. The rain held off until the last relay was shooting. The turnout exceeded our expectations for this overcast day. We fired three full relays and an almost full fourth relay. There were several new shooters in attendance along with many of the usual faces. The day started with very comfortable temperatures for the month of August. I hope that everyone had an enjoyable time at the match and hope to see everyone at the September 19th event.

Note in the match report that the shooters have posted some very fine scores in their categories. Congratulations to all and keep up the quest for that perfect score!

A special thanks to the pit crew for their efficient and timely service. Thanks also for the guys who helped score targets. We would be lost without you guys pitching in with the real range chores. Thanks again for your help!

I would also like to thank the competitors for their cooperation in keeping up with range commands and keeping the relay changes moving along. I hope all of the shooters felt welcome and come back for the next match.

Hope to see everyone again at the September 19th match!
